A curated guide to the city's wineries & tasting rooms

WELCOME TO LOS ANGELES

California wine's *original home*

Long before Napa and Sonoma rose to fame, Los Angeles was one of California's earliest wine centers, with vineyards dating back to the mission era. Today a new generation of urban winemakers is reviving that heritage across the city.

Tasting rooms in neighborhoods from downtown to Pasadena and Burbank pour wines from grapes grown across California. The Palos Verdes Peninsula even has its own small wine appellation.
